

White Christians' Fraternal Order...

Oklahoma is Redneck KKK Country

April 7th, 2010

Hello Fellow White Oklahomans and Christians:

The United White Knights of the Ku Klux Klan is a Christian fraternal organization dedicated to the preservation of white rights in the Great Redneck State of Oklahoma. We are inviting you, UWK and Klaverns members from across the country and any KKK group associated with the Southern Alliance of Klans to join in with us on April 17, 2010 at the Oklahoma State Capitol to celebrate Mighty White's Day. Want to sing praises to the Lord for being White, having White Angeles, White Clouds, White Snow and White People. For we know the blood runs in our white bodies represents the bloodshed by Jesus Christ as a sacrifice for the White Aryan Race. We want to reassert white supremacy through terrorism and intimidation. We want to bring back lynching as part of our energy conservation program. It takes energy to make bullets, so if we give our brave American White Law Enforcement ropes, they could just pull Blackies out of their cars when they stop them, throw a rope around their neck and hang them from the nearest tree. This approach would run concurrent with our tree planting initiative in the State of Oklahoma to ensure we have enough hanging trees available to our law enforcement.

We must pass into law for all Athletic Darkies attending our Colleges and Universities, the Monkey Rule. We can substitute peanuts and bananas for one of their meals per day and save on food expenses charged to the state. After all most Athletic Darkies have the features of a monkey along with their natural Monkey Athletic abilities. For desert, watermelon apple pie with plenty of salt peter would be a great substitute for sweet potato pie. This desert would put some lean into their mean and make them more lap monkey friendly.

We love white so much we want to get rid of sun tanning lotion and sun tanning beds and pass a law that the only bread that can be produced is white bread. We want all of our homes to be painted white with white picket fences and even our streets to be painted white. And we want a law passed so that Oklahoma Darkies are only allowed to come out from 9:00 pm until 12:00 pm. When they do venture out during the day time they must ride in white cars with very dark tinted windows and wear white sheets with white point hoods. We want Oklahoma to be the shining model for being the Reddest Redneck state in the union, with the whitest people.

We say power to the Almighty Whities that are always Tidy! See Y'all on April 17, 2010 at the Oklahoma State Capitol, white and right.
