The Networks of 12NEWS

COZI TV is a national network coming into the family of The Networks of 12News. COZI TV will bring to southeast Texas some of America's most beloved television series, hit movies and original programming.

Proven and iconic shows like Magnum, P.I., The Bionic Woman, Highway to Heaven, The Lone Ranger and The Six Million Dollar Man are featured on the network. COZI TV also airs a wide range of movies.

COZI TV's exclusive original programming includes 1st Look, Talk Stoop, George to the Rescue, Open House, and they'll also be blocks of time available for 12News to insert local news, sports, or special event programming specific to the interests of southeast Texas. The past and the present have come together on COZI TV.
