**Energizer Bunny's Blurbs**

**About me:**

I am the energizer bunny. Do the math and figure it out. I used to know love and know I have a new look on that situation. love is just one big ugly compromise of two people pretending to not know what the other is doing. I realise this may come as a shock to some but thats how I see it untl proven otherwise.

When I tell you I love you,  
I don't say it out of habit,  
or to make conversation. I  
say it to remind you that  
you're the best thing that  
ever happened to me ♡
