Mr. Pettit does not follow directives from the board.  
Lack of respect for board members, the community and staff  
Smirks and rolls his eyes at the board meetings or when a parent is trying to talk to him about their child.  
Invasion of privacy-going through e-mails, phone calls, etc.  
Changes in contracts without informing the board members  
Not allowing Head of District security to certain schools.  
Fingerprinting-letting an administrator work without fingerprint clearance.  
Low staff morale  
Letting an employee leave while on contract.  
Lying to the board and community  
ELD investigation  
Special Services were not being provided to the students  
Intimidating staff
