

SECTION 6: INCIDENT

DESCRIBE THE CIRCUMSTANCES OF THIS INCIDENT, INCLUDING ANY WITNESS INFORMATION AVAILABLE (ATTACH ADDITIONAL PAGES IF NEEDED).

Witnesses: Ana Patricia Sexton - [REDACTED]  
Dr. Tucson, 85710 - [REDACTED]

As a witness I saw the signs clearly in the man's car & explained that once he was asked about them he quickly closed the car & seemed to be in a huge hurry to drive away. I had to step back quickly in the parking lot, because I felt he was not going to stop backing up his vehicle so he could drive away.

There were other witnesses present if needed we can contact them.
