May 12, 2009

Dear Postal Customer:

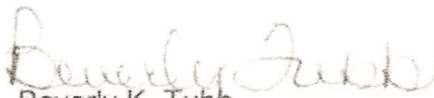

The Bruceville Post Office facility has severe safety deficiencies and it has been found to have a structurally unsound foundation. Effective May 31, 2009 it will be necessary to suspend postal operations at the Bruceville Post Office.

Effective Monday, June 1, 2009, delivery and retail services will be provided by the Eddy Post Office facility located 2 ½ miles from Bruceville at 100 Franklin Rd., Eddy, TX 76524. Current Bruceville mail delivery will continue with no interruptions or changes.

Post office box holders will have a box at the Eddy Post office. There will be no change of address or additional action required. Mail will be delivered as addressed. Any customer who prefers to receive mail via letter carrier please contact the Postmaster at 254-859-5667 to obtain more information.

I realize with change there is always concern. No permanent decision regarding the status of this office has been made. We will be contacting you in the near future to explain our plans and solicit your comments. In the interim, we are confident that the Eddy Post Office can provide all Bruceville-Eddy customers with outstanding service.

Sincerely,

Beverly K. Tubb
