Case #: 2008010586 NPPD	Date Reported: 01/17/2008 15:29:35
Offense: MURDER 1ST DEG,	Case Status: Cleared By Arrest

Remarks:

At approximately 1100 hours on May 2, 2008 this Criminalistics Specialist met with the victim's husband, Nathan Lee, at the North Port Police Department Property area to view items of evidence in conjunction with the referenced case. Detective Morales advised this Specialist to show items of clothing to the victim's husband. All items opened to view are properly marked on the voucher, resealed with evidence tape with date and initials and entered into notes in the computer.

Upon this Specialist and the victim's husband viewing the items one by one, the victim's husband recognized a pair of blue in color boxer shorts. This item was later researched through the computer and were recovered from a search team on Plantation Boulevard and Panacea Boulevard. The victim's husband advised the pair of boxer shorts were his and that the victim would wear his boxer shorts.

This Specialist then had the victim's husband view a pair of red in color underwear. The victim's husband advised he believes the item may have been the victim's. This item was also recovered in the area of where the boxer shorts were found.

This Specialist also had the victim's husband view a piece of bra strap found in the area of the two items which the victim's husband advised he was not sure.

These three items will be sent to the DNA Laboratories International for DNA search of the victim and suspect.

This Specialist was advised by Detective Morales to swab the victim's husband for DNA due to the boxer shorts being his. This specialist used a cotton applicator and swabbed the inside mouth of the victim's husband.

Cortnie Watts #113 Sp. Sec. Col. #171

All items were resealed with date and initials. The above items will be sent by Federal Express to the DNA Laboratories International for DNA search. This ends this Specialist's involvement at this time.

Offense: MURDER 1ST DEG,	Case Status: Cleared By Arrest

Remarks:

At approximately 1400 hours on May 7, 2007 this Criminalistics Specialist was advised by Detective Morales to swab the 9mm Luger casing found near the burial sight to send to the DNA laboratories International for DNA testing.

This Specialist used a moistened cotton applicator and swabbed the outside of the casing. The casing was then resealed with evidence tape, dated and initialed. The swabs were packaged, sealed, labeled and placed into evidence.

Case #: 2008010586 NPPD	Date Reported: 01/17/2008 15:29:35
Offense: MURDER 1ST DEG,	Case Status: Cleared By Arrest

Remarks:

On May 16, 2008, this Criminalistics Specialist took tire ink standards from the 1994 Chevy Camaro bearing Florida license plate number 374JFL and VIN 2G1FP2255R2186980 that was located in the vehicle exam room of the North Port Police Department.

This Specialist used Sirchie brand fingerprint slab ink with roller and a glass slab. This Specialist put ink on the roller and rolled the ink onto each of the four tires. This Specialist proceeded to put brown in color kraft paper under each of the four tires. Sgt. Scott Graham and Property Evidence Staff Assistant Deb Hill assisted this Specialist in moving the vehicle over the paper to make the ink impression.

The following information on each tire and dimensions:

Front driver side tire - Michelin Symmetry - 6 1/2 inches
 Rear driver side tire - Goodyear Eagle RS-A - 7 inches
 Back passenger side tire - Cienra Plus Steel Belted - 6 1/4 inches
 Front passenger side tire - Michelin Symmetry - 6 3/4 inches

This Specialist along with Sgt. Scott Graham and Property Evidence Staff Assistant Deb Hill proceeded to move the vehicle out of the North Port Police Department vehicle exam room and place the vehicle in the gated area of the police department's officers parking lot. This Specialist then placed a vehicle cover that had locking capabilities over the vehicle. A pad lock was placed on the vehicle car cover to secure as evidence.

Cortnie Watts #113 Scott Graham #171

The set of keys for the vehicle and the set of keys for the car cover were placed into evidence. This ends this Specialist's involvement in this case at this time.
