

WGCL-TV Children's Programming

WGCL-TV airs two hours of children's programming each Saturday morning from 7 a.m. to 9 a.m. and one hour of children's programming each Sunday from 11 a.m. to 12 p.m.

Our core educational programming is designed to serve the educational and informational needs of children 16 years and under. Each program is identified on-air as educational and informational with the "E/I" icon, and is similarly identified to national listing services.

WGCL-TV files a quarterly Children's Programming Report with the Federal Communications Commission (FCC Form 398) and a copy of that report can be found in WGCL's public file located at the main studio location at 425 14th Street NW, Atlanta, Georgia 30318.

The public file is available for inspection during normal business hours.
